*It's a small world, but I wouldn't want
to have to paint it.* - Steven Wright

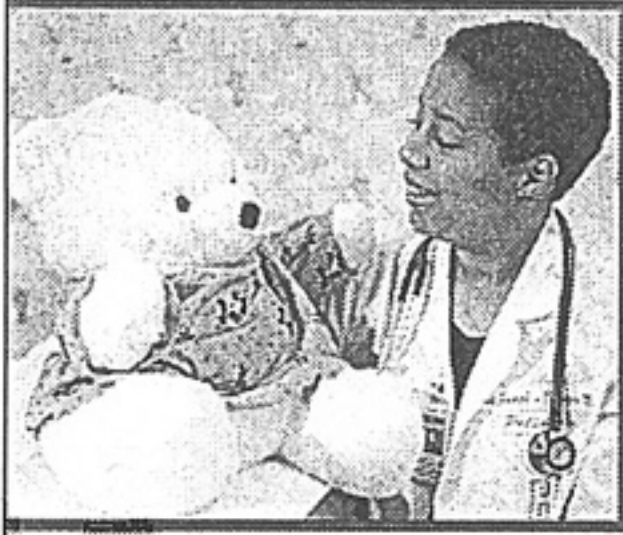

My friend Cyndie is helping me paint the inside of my house. I supply the paint, she supplies the motivation, and we share the labor. Little by little, the walls are coming back to life.

When I met Cyndie three years ago, she lived 507 miles away. Last summer she moved. Now she lives 2 miles away.

This is better.

Ben has become a bona fide teenager and a budding guitarist. He favors Nirvana, Led Zeppelin, and Blink 182.

Kids who come to Hennepin County Medical Center for checkups are getting copies of this book I wrote with Sheila. Now we're looking for a commercial publisher.

The sky fell already. Now what?
